

MUNICH

Working student (m/f/x) DGNB certification and sustainability

Overview

Are you looking forward to interesting and challenging tasks within a design-oriented and innovative environment that also offers you the stability and structure of a successfully grown company? Are you looking for an opportunity to contribute your creativity and personality? Then you'll be a great fit for us!

Our strong community and longstanding success are based on an appreciative, open, family-like atmosphere and the knowledge and commitment of our employees. The use of state-of-the-art technologies and our expertise across all service phases according to HOAI enable us to develop high-quality solutions and concepts.

Become part of our team as a Working Student (m/f/x) DGNB certification and sustainability and apply now!

You can expect the following

- Study of architecture, civil engineering or related degree programmes
- Independent working style and analytical skills as well as team spirit
- Very good written and spoken German

You bring along

- Collaboration in the verification of sustainable building certification according to DGNB
- Collaboration in the preparation of the specifications for building certification
- Site and climate risk analyses as part of DGNB certification
- Participation in the preparation of certification pre-checks

We offer

- Attractive and diverse, well-known (large-scale) projects and a large design scope
- Support for personal and professional development: HENN Academy including recognition by the chambers of architects, language courses, individual seminar and certification programmes in collaboration with cooperation partners
- Attractive remuneration
- Modern office in the heart of Munich (Maxvorstadt) with excellent public transport connections
- International and interdisciplinary working environment
- Joint events (multi-day office trip and Christmas party) and team activities (company run, soccer tournament, pretzel monday, after-work get-together)
